SHRI KANCHAN  
DIALYSIS CENTRE

# Shri Kanchan Dialysis Centre

(Rajasthan's First Free Dialysis Centre, without any Fee Counter.)

Shri Kanchan Dialysis Centre, a unit of Shri Krishan Kanchan Sewa Trust, was established as Rajasthan's first free dialysis centre on 8th August 2021, inspired by the teachings of Shri Shri Krishan Kanchan Ji Maharaj, Peethadhish, Goverdhan.

Our mission is to offer state of art dialysis facilities free of cost to those kidney patients who can't afford it, ensuring they receive life-saving care without the burden of cost.

# About Shri Kanchan Dialysis Centre

(Rajasthan's First Free Dialysis Centre, without any Fee Counter.)

- **Our Mission:** To provide free, accessible, and compassionate dialysis care to those kidney patients who can't afford it.
- **Vision:** A future where no patient is denied dialysis due to financial constraints, and quality healthcare is accessible to all.

We operate a 10-bed fully equipped facility, offering dialysis in two shifts:

- Morning Shift : 8 AM – 12 Noon
- Afternoon Shift : 12 Noon – 4 PM
- Sunday : Closed

Since opening, we've performed approx. 10,000 dialysis sessions till now and continue to serve **200 dialysis sessions** per month and we intend to increase the number to 400/month.

# Dialysis and Its Importance

## 1 Growing Need

India is facing an end-stage renal disease (ESRD) crisis, with around 2.2 lakh new patients being diagnosed every year.

## 2 High Cost

Nearly 30% patients die within one year of Dialysis & one reason is the high cost of dialysis, averaging between ₹25,000 to ₹30,000 per month, places a tremendous financial strain on families.

## 3 Free Dialysis

At Shri Kanchan Dialysis Centre, we provide free dialysis, making this life-saving treatment accessible to those who cannot afford it.

## 4 No Cash Counter

There is no cash counter at our facility, ensuring that all patients receive care without cost.
